

Dear all,
I would like to congratulate team BIP and students on the occasion of releasing newsletter for the month of May to August 2018. These four months witnessed major events like GTU summer examinations in May, followed by monsoon season and festivals like Rakshabandhan and Independence Day in the month of August. Exams give an unique opportunity to students to validate their knowledge and progress in their journey to become an excellent pharmacy professional. I am happy that our students have made the institute proud with their exceptional achievements in all GTU Exams and other co-curricular activities. On this occasion I would like to congratulate all students and staff of Babaria Institute of Pharmacy for achieving success in their respective fields.

Dr. Vandana Patel
Principal, BIP
