

"The greatness of a culture can be found in its festivals"

Dear all,

I would like to congratulate team BIP and students on the occasion of releasing newsletter for the month of September to December 2018. These four months witnessed three main festivals like Ganesh utsav, Navratri and Diwali. Also, acknowledgement of our efforts in terms of teaching and placement by CEGR Awards 2018 added a feather to our cap. Guest lectures, industry visits, NSS activities and many in house activities also went on with great enthusiasm. Without the involvement and active participation of faculty members and students these events would not have been as successful as they were. I thank the entire BIP family for this and look forward to same enthusiasm and energy for future events also.

Dr. Vandana Patel
Principal, BIP

SEPTEMBER

» **Teacher's Day Celebration**

To acknowledge the role of teachers in nation building, the teacher's day was celebrated by Students at Babaria Institute of Pharmacy on 05/09/2018. The celebration started with the inaugural speech by Dr. Vandana Patel, Principal, BIP followed by various activities involving students and faculties of B.Pharm. and M.Pharm. Students acknowledged the role of teachers in their life and showed gratitude towards them for helping them to achieve their goals.

Teacher's are Nation Builders
