

VISION

To contribute in effective global health care by leadership in pharmacy education, advancing research and merging entrepreneurial spirit with compassion.

MISSION

To prepare pharmacists with strong scientific foundation fused with critical thinking, problem solving and leadership skills in community and the profession, leading to enhancement of health and quality of life of the people globally.

Dear all,

It is indeed a moment of great joy for me to present the first newsletter of the year 2019 of the Babaria Institute of Pharmacy. Year 2018 was happened to be the year of many new achievements for the institute. I would like to extend my heartiest congratulations to the team of Babaria Institute of Pharmacy and students for their constant endeavour for the excellence. I wish everyone good luck and wish to scale new heights of success in the year 2019.

*Dr. Vandana Patel
Principal, BIP*

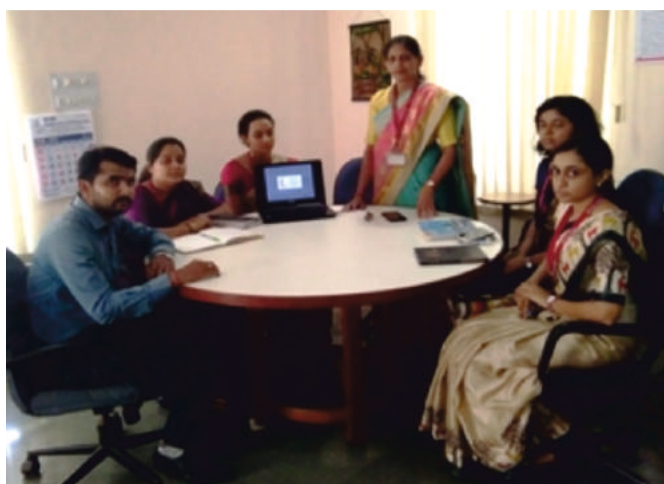

› Induction Program for Faculties

Induction program for young teachers "Fire to fear: For Beginners" was conducted by Dr. Vandana B. Patel, Professor & Principal, Babaria institute of Pharmacy on 22 nd June 2019. She welcomed all new faculty members and explained them about the working environment of Babaria Institute of Pharmacy. She described that Fear may be of different types such as Fear to fail, Fear to make mistake, Fear to address the students, Fear of sustainability, Fear of Job insecurity, Fear of work-life balance etc. Madam showed them the way to handle and combat those fears and live a happy and prosperous professional life. Madam also explained in detail the role of a teacher, dos' and don'ts as a teacher, commanding respect, understanding students' psychology and keeping pace with the generation. The desirable behavior of a teacher on the campus and need to help weak learners was also focused and very well explained. She emphasized on referring good books, quality teaching material, advance planning before lecture and importance of self-discipline. The concept of Passionate to Performer was well elaborated.

› Guest lecture on "Biomedical Devices: Status and Challenges" by Dr. Anita Singh, Associate Professor and Chair: Biomedical Engineering, Widener University, Chester, USA

A guest lecture was organized on topic 'Biomedical devices: Status and Challenges' by Dr. Anita Singh, Associate Professor, Widener University, Chester on 10th July 2019 for the students of M.Pharm sem III and B.Pharm Sem V and Sem VII. Dr. Anita Singh was welcomed by bouquet of flowers by Dr. Vandana B. Patel, Principal, Babaria Institute of Pharmacy. Dr. Singh is presently working as Associate Professor and Chair: Biomedical Engineering, Widener University, Chester. She is involved with various research projects and focused on developing a new model of traumatic axonal injury that offers the possibilities of improving the understanding of white matter tract damage in the brain. Her recent research activities include investigating a new combinatorial treatment strategy using bioengineered scaffolds and robotic training paradigm in spinally contused and transected rats. Overall the session was very informative and interesting for not only students but for faculties as well.

» **Collegiate Women Development Cell, APTI sponsored "International Awareness Program on Women Health and Women Empowerment"**

The Collegiate Women Development Cell of Babaria Institute of Pharmacy has been very active in organizing various awareness programs for the betterment of female students and faculty members. One such event was organized on 26/07/2019 on the topic of "International Awareness Program on Women Health and Women Empowerment". Dr. Saroj Vangani, Founder, Cherish Holistic Health, USA, explained the audience about the importance of Ayurveda and how Ayurvedic medicines can be a good alternative of allopathic medicine. She also explained various Ayurvedic medicines available for the treatment of some common illnesses. Overall the session was quite informative and interesting.

CWDC, APTI Sponsored event on awareness of women health and women empowerment

» **Relief work and food distribution in flood affected area by NSS Unit of BIP**

Due to the heavy rainfall in the first week of August in Vadodara city and surrounding area, there was a flood like situation in many parts of the city. In some areas the situation was so grim that people were not having basic needs like food, water and clothes. The NSS unit of Babaria Institute of Pharmacy collected relief materials with the help of student volunteers and distributed it to needy poor people. Food packages, water bottles and clothes were distributed to Kalali, Vadsar and Makarpura village area, affected by the flood. Overall this entire exercise was hugely successful and it was an indeed satisfying experience for everyone.

» Legal awareness program on Protection of Children from Sexual Offences (POCSO ACT - 2012) & Awareness program regarding laws for women and women empowerment

The Suraksha Setu Society Police Adhyaksh Kacheri, Vadodara branch organized awareness program on 13/08/2019 related to women safety and empowerment. The aim of this program was to make aware everyone about the Laws pertaining to the women and children related offences. Speakers explained various scenarios related to the children and women safety and steps to be taken to avoid any such unwanted incident. Students were made aware of various legal provisions and procedures to be followed in case of any unlawful activities. Students were informed about various helpline numbers to be used in case of any emergencies. Overall the entire event was very informative for students and faculty members.

» Tree plantation program "One Student, One Tree" by AICTE

Trees are called lungs of the mother earth. Trees are responsible for the purification of the air and also keep check on the ambient temperature. More over trees also prevent land erosion and are necessary for good rain fall. As a part of an unique initiative by AICTE in association with the Government of India One student, one tree program was launched recently. The NSS unit of BIP along with students planted trees in the campus and pledged to take care of them on 17/08/2019. The event was also graced by Dr. Vandana Patel, Principal, Babaria Institute of Pharmacy.

Tree Plantation by students and BIP staff

» Orientation & Induction Program of B.Pharm and M.Pharm semester 1 students- 2019

It has been the tradition of Babaria Institute of Pharmacy to welcome new student with open hearts. Just like every year this year also the orientation and induction program for 1st semester B.Pharm and M.Pharm was kept on 26/08/2019. Students and parents were welcomed by Dr. Vandana Patel, Principal, BIP. Students and parents were briefed about the rules and regulations of the institute and the university. Also they were informed about the examination pattern and rules by faculty members. There were also entertaining activities planned by students of B.Pharm for their juniors. Overall the entire function was full of joy and enthusiasm.

Fit India Movement

➤ Awareness session on Fit India Movement initiated by AICTE

The Government of India is very keen about the mental and the physical fitness of the youth of this country. To boost the awareness about the physical and mental fitness among the young people of India the Prime Minister had launched a Fit India initiative on 29/08/2019. On this occasion Dr. Vandana Patel addressed students about the importance of health and healthy habits in one's life. She explained in detail the benefits of healthy mind and body. There was also a small meditation session for students. Overall the entire session was quite refreshing for students.
