- Special purpose facilities available (Conduct of online Meetings/Webinars/Workshops, etc.)
- Facilities for conduct of classes/courses in online mode (Theory & Practical) – Internet Wi-Fi facility, Google classroom accessed through G suite

Facilities Available

- Innovation Cell –
- BITS INNOVATION CENTRE, a unit of BITS Edu Campus, has been established to nurture and support innovative ideas from Students and to convert them into successful Start-ups and develop entrepreneurship skills. The centre also provides various facilities for proactive initiatives to promote both industry funded and academic research and consultancy.
-
- • Start-Ups & Innovation
- • SSIP
- • Seminars & Workshops
- • Research & Consultancy
- • Patents IPR
- • Fab Lab
- • E-Yantra Virtual Lab- IIT Bombay
- • Entrepreneurship
- • Hackathon

VISION:

To endow state-of-art research facilities for the incubation, realization and promotion of innovative ideas this leads to successful patentable start-ups for the betterment of society.

To develop entrepreneurial skills among the students to help them to be self reliant and contribute to the nation building.

To provide facilities to promote both industry funded and academic research

To keep students updated about the emerging technologies.

MISSION:

To build an ecosystem to incubate and support innovative ideas in the region to enact wealth and employment action through successful start-ups.

To create entrepreneurial opportunities for students, faculty and researchers

To support technology entrepreneurship through emerging technologies by marshaling the resource of BITS Edu Campus.

To nurture technology and knowledge based ventures through their start-up phase by providing the necessary mentoring support at ideation / prototype / patent / marketing / commercialization stages.

To organize and support seminars / workshops and training programs based on emerging technologies for the students.

To undertake both industries funded and academic research projects and provides innovative solution.

20. Best Practices adopted, if any

Best practices in Teaching – learning

- Planning & adherence to academic calendar
- Course content delivery through methods like
 - o Chalk and board
 - o Power point presentation
 - o Preparing and sharing videos
 - o Use Google classrooms for teaching-learning practices
- Support to weak and bright students for academic progression
- Powerpoint slides are used extensively for delivering the lectures and explanation of the Laboratory work.
- Use is made of the different Video sharing sites like YouTube for demonstration of graphical or actual working of Instruments and other processes. Staff have also developed their own Channels for delivering syllabus related content to students
- Google classrooms are utilized extensively for sharing lecture notes, conducting exams, sharing links etc.
- Continuous evaluation methods are adopted for regular monitoring student's academic progress.

- Seminar/ Conference/ workshop are conducted regularly to update knowledge of staff and students.

Nurturing creativity among students

- Research orientation of students through SSIP and SOIC participation. Institute is the nodal centre for SSIP, Govt. of Gujarat and promotes research activities among stake holders.
- Motivate students to participate in Extracurricular and co-curricular activities
- Creating social awareness and responsibility through NSS activities
- Institute organizes Industrial visits, Guest lectures, Seminars, workshop on regular basis develops creativity among them.

Other Innovative practices

- International summer internship program for students in collaboration with Carleton University, canada
- Online attendance monitoring of the students and intimation to parents
- Babaria Institute of Pharmacy has a **well equipped library facility with RFID system**. Institute has DELNET subscription which provides, E-Resources facilities for the faculties and students.
- Student mentoring, counseling cell provides opportunity to student to give their opinion on curricular and extra curricular aspect.
- Team comprising of students and faculties publishes Quarterly College magazine – PHARMA INSIGHTS
